**HAGS CIRCUS, GRIMMIE AND ZAPP -**  
**HAGS FANTASY ENVIRONMENTS FOR YOUNG**  
**CIRCUS ARTISTS, ASTRONAUTS AND**  
**EXPLORERS.**

HAGS open play environments Grimmie, Circus and Zapp inspire young children to engage in fantasy games set in theme worlds. Young children are naturally imaginative, but they sometimes need a little help to get started. Grimmie is the perfect environment for an exciting fantasy adventure, Circus is a colourful circus world where anything is possible and Zapp is a good scene for a space adventure.

**Learning through play.**

Children can play alone or with others. Fantasy games teach children to think creatively and develop their cognitive ability. The HAGS play environments are great for playgrounds, at kindergartens and in other environments where young children play. They are delivered fully assembled.
